

# FOLDALITE<sup>®</sup> 32

Full-body UV Phototherapy System

 **NATIONAL  
BIOLOGICAL**

**S.E.E. the Light!**  
**SAFE, EFFECTIVE & ECONOMICAL**

# FOLDALITE<sup>®</sup> 32

Optimum Phototherapy  
Performance in an  
Ultra-Thin Design

The **FOLDALITE<sup>®</sup> 32** represents the pinnacle of phototherapy technology. Designed to treat the entire body in a single session, the **FOLDALITE<sup>®</sup> 32** features simple operation and quick treatment times.

The **PhotoSense<sup>®</sup> Exposure Control** lets you preset a maximum exposure time for each session to minimize the chance for overexposure.

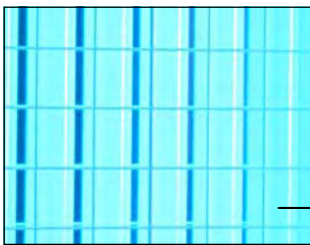

A safety key lock on the ON/OFF switch prevents unauthorized use. Watchdog circuitry shuts down device if it senses a potential malfunction.

Folds Closed  
to 23 cm (9")

Available in  
Narrow Band and  
other lamp types.

Comfort control ventilation ensures patient comfort

Safety screens allow for maximum energy output and snap out for easy lamp replacement.

Easily adjust to different body sizes, yet folds to 229mm (9") for storage. Doors move and re-position effortlessly. Adjustable wheels designed for any floor surface. Can be installed in room corners.

0.5 m<sup>2</sup> (5.4 square feet) of treatment area

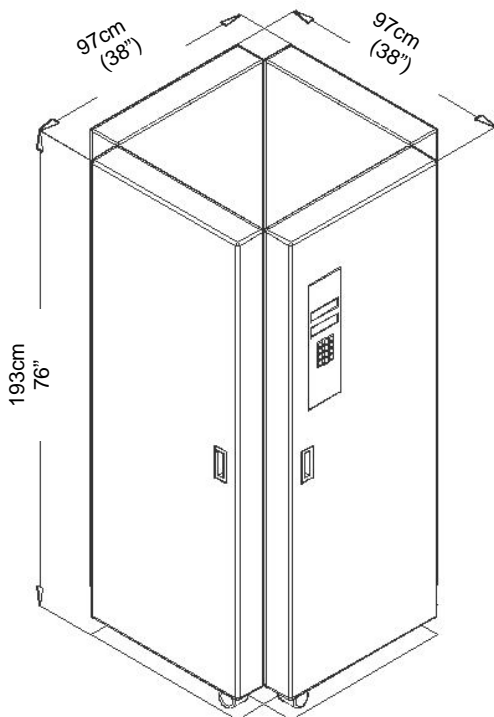

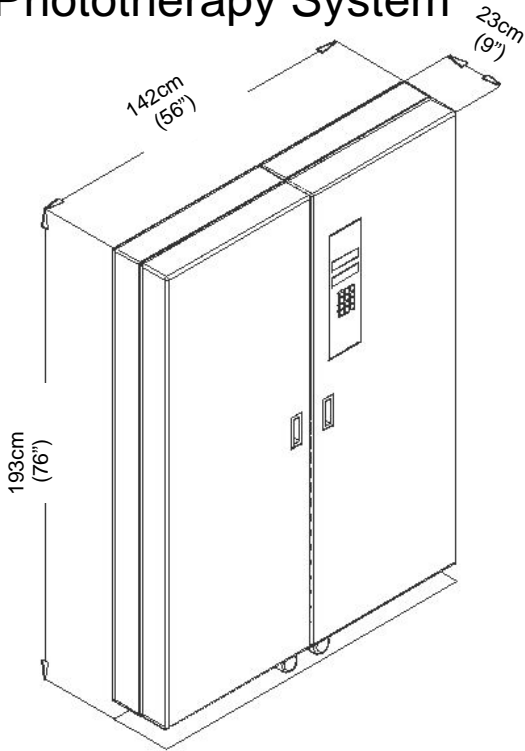

National Biological maintains a full line of phototherapy accessories in stock at all times. Included are UVA and UVB measuring devices, high output UVA and UVB lamps, glasses and goggles for eye protection.

Includes UVB measuring device
